

Goldfish

Done? Let it swim!

1. Scan the QR code with your phone.
2. Take a photo of the whole colouring sheet.
3. Good light, and all four corner markers in frame.

Did you know...

- a goldfish can recognise and remember your face?
- goldfish in the wild can grow up to 30 centimetres long?
- a goldfish can live up to 20 years if you take good care of it?
