

Lobster

Done? Let it swim!

1. Scan the QR code with your phone.
2. Take a photo of the whole colouring sheet.
3. Good light, and all four corner markers in frame.

Did you know...

- a lobster can smell where its food is coming from using its antennae?
- lobsters are thought to be able to live up to 50 years?
- a lobster swaps its shell every few years so it can grow?
