

# Jellyfish

## Done? Let it swim!

1. Scan the QR code with your phone.
2. Take a photo of the whole colouring sheet.
3. Good light, and all four corner markers in frame.

## Did you know...

- a jellyfish has no heart, no brain and no bones?
- jellyfish have lived in the sea for over 500 million years, longer than the dinosaurs?
- some jellyfish glow in the dark water at night?
