

# Sea turtle

## Done? Let it swim!

1. Scan the QR code with your phone.
2. Take a photo of the whole colouring sheet.
3. Good light, and all four corner markers in frame.

## Did you know...

- sea turtles have lived on earth for over 200 million years?
- a sea turtle returns to the same beaches for decades to lay its eggs?
- sea turtles can sometimes live to be 80 years old?
