

# Whitetip reef shark

## Done? Let it swim!

1. Scan the QR code with your phone.
2. Take a photo of the whole colouring sheet.
3. Good light, and all four corner markers in frame.

## Did you know...

- a whitetip reef shark hunts at night and rests calmly on the seabed by day?
- whitetip reef sharks hunt in groups and chase fish out of caves together?
- a whitetip reef shark is known for the white tips on its back and tail fins?
